

Project Summary
Vivian Vaughn and Addie Steagall
Sainte Genevieve, Missouri
"No Kid Hungry" National Outreach Project

- Purpose
 - Utilize service learning to educate students and community members about childhood hunger
 - Spread the word about the No Kid Hungry organization and their fight against childhood hunger
 - Raise Money for the No Kid Hungry organization
 - Provide opportunities to students and community members to help make a difference
- Relationship to FACS areas
 - Our project relates to the National FCS Standard 1.3: Evaluate the reciprocal effects of individual and family participation in community activities.
 - Our projects relates to the National FCS Standard 1.3.2: Demonstrate skills that individuals and families can utilize to support civic engagement in community activities.
- Research
 - We used multiple informational websites to learn more about childhood hunger and the effects hunger can have on a child's life.

- Background Information
 - We have heard of the organization, No Kid Hungry, and we wanted to become more involved in their campaign to end childhood hunger in America.
 - Not only did we want to make a difference for our country, but for our community too.
 - The effects of hunger on a child are harsh and more people need to be aware of this, so we can help these children to live a healthier life.
- Goal of Project
 - Have 10 activities that focus on raising awareness of childhood hunger in America and our community
 - Spread the word about the organization, No Kid Hungry, and their fight against childhood hunger
 - Raise \$700 to donate to No Kid Hungry
 - Provide opportunities for the students at our school and community members to make a difference
 - Create a website for students and community members to view for further information about our project
